Sir/Ma’am:

Greetings of peace!

Orientation and re-orientation programs serve as vital platforms to prepare both new and returning students for a successful academic experience. These activities help students become familiar with the university’s core values, services, and community, while also promoting engagement, awareness, and a sense of belonging within the campus environment.

In line with this, the [Office/Department Name], in partnership with the [Organization Name] and various student service offices, respectfully proposes to conduct an orientation program titled “[Event Name]”. This event is scheduled to be held in four separate sessions on [Date] to accommodate all students, considering space limitations.

This activity aims to orient the students on key university policies, academic guidelines, and student conduct. It will also introduce the various student organizations, support offices, student services, and administrative leaders of the university.

Thank you very much for your kind consideration.

Sincerely,

[NAME REDACTED]
