Sir/Ma’am:

Greetings of peace and prosperity!

The [Organization Name] respectfully seeks your approval for the production of the **Official T-Shirt for Academic Year [Year]**. This T-shirt will be made available to all students of the campus and shall serve as a unifying symbol of school spirit, identity, and solidarity among the community.

Moreover, the proceeds from this initiative will provide additional income for the [Organization Name], which will be utilized to support and sustain upcoming activities and programs for the benefit of the student body. Participation in this initiative, however, is not compulsory and shall remain voluntary for all students.

For inclusivity and representation, the name of each academic program will be printed on the design, ensuring that every program has its own distinct version of the T-shirt. For your reference, the proposed design is attached to this letter.

We hope for your kind approval of this request. Thank you very much for your usual support.

Respectfully yours,
